At:

☐ I agree to transfer my whole securities portfolio to my new investment account

The bank may not be held responsible for deadlines imposed by the issuer and/or custodian bank and/or any other party with regard to the certification, if required, and transfer of securities, nor may it be held responsible if such certification or such a transfer proves to be impossible for reasons outside the reasonable bank's control. The securities that are to be transferred to another bank shall be blocked as soon as this transfer instruction is received by the bank and from this point on may not form the object of any other transaction until such time as the transfer has been completely performed. Once the securities have been blocked in this way, the bank shall therefore no longer assume any liability or responsibility, particularly with regard to payment, settlement or information transactions relating to the securities that are being transferred.

5. Bank account to transfer the remaining balance of all your bank account(s) at ING Luxembourg
