When does coverage start and when does it end?

The guarantees take effect as soon as the insured holds an ING-issued Visa Business & Assistance credit card.

The insurance coverage expires as soon as the ING-issued Visa Business & Assistance credit card is canceled or blocked and/or until the card's expiration date.

The insurance coverage automatically ends in case of non-renewal or termination of the contract between the insurer and the policyholder.

Specific conditions may provide specific timeframes for the coverage of insured claims. These coverages are inseparable from the insured credit card and cannot be canceled separately. In the cases described above, the coverage ends, and all benefits cease. For more details on the cancellation terms of the covered credit card, the insured should refer to the General Conditions VISA BUSINESS & ASSISTANCE.

How can I cancel the contract?

ING is the policyholder of a group contract for all holders of an ING Visa Business & Assistance credit card. The insurance is linked to the credit card, and the insurance coverage automatically ends for any services provided following the termination date of the card.
