What are my obligations?

The guarantees are valid only if purchases were made with the ING Visa Platinum.

The Insured must keep and send copies of all receipts and other documents requested by the Insurer (or the designated claims manager) to ensure the management of a valid claim.

The Insured must report the claim to the Insurer by sending the completed and signed claim form as soon as possible and no later than 20 calendar days following the availability of the Visa statement (except for travel cancellation and interruption cover subject to specific deadlines).

How to report a claim

The claim form can be found on the website www.ing.lu or requested from Willis Towers Watson Luxembourg by calling the number 00352/46.96.01.222.

When and how can I make payments?

ING has subscribed to this guarantee for the benefit of Visa Platinum credit card holders.

2

When does coverage start and when does it end?

The guarantees take effect as soon as the insured holds an ING-issued Visa Platinum credit card.

The insurance coverage expires as soon as the ING-issued Visa Platinum credit card is canceled or blocked and/or until the card's expiration date.

The insurance coverage automatically ends in case of non-renewal or termination of the contract between the insurer and the policyholder.

Specific conditions may provide specific timeframes for the coverage of insured claims. These coverages are inseparable from the insured credit card and cannot be canceled separately. In the cases described above, the coverage ends, and all benefits cease. For more details on the cancellation terms of the covered credit card, the insured should refer to the General Condition VISA PLATINUM.

How can I cancel the contract?

ING is the policyholder of a group contract for all holders of an ING Visa Platinum credit card. The insurance is linked to the credit card, and the insurance coverage automatically ends for any services provided following the termination date of the card.
